Basis of Claims Settlement

In the event of loss or damage to the Building(s), the Insurer will pay the FULL COST OR REPAIR at the time of such loss or damage, PROVIDED THAT the Buildings are maintained in a good state of repair; that they are insured for the FULL COST OF RECONSTRUCTION in their present form; and that reinstatement shall have been effected. Reinstatement

The sum insured under this Section shall NOT be reduced following the payment of a claim provided that the Insured shall agree to carry out Insurers' recommendations to prevent further loss or damage.

Limit of Insurance

The liability of the Insurer for any loss or damage shall not exceed the sum(s) insured for each Premises separately stated in the Schedule.

Underinsurance

The policy is SUBJECT TO THE CONDITION OF AVERAGE, that is to say, if the property covered by this Insurance shall at the time of any loss be of greater value (as defined by current RCIS figures) than the sum insured by this Policy, the Insured shall ONLY be entitled to recover hereunder such proportion of the said loss as the sum insured by this policy bears to the total value of the said property.

Index Linking

Notwithstanding anything contained herein to the contrary it is understood and agreed that an index linking percentage will be calculated for each annual period of insurance in accordance with The House Rebuilding Cost Index prepared by the Royal Institution of Chartered Surveyors and will be provided at each renewal to assist the Insured to update the Sum Insured.

In the event of a claim the Sum Insured applicable will take into account any increase due to index linking for the period from commencement of the current annual period of insurance up to the date of the incident. Index linking will continue to apply during the period necessary to repair the buildings provided repairs are carried out as soon as is reasonably possible.

This benefit is designed to adjust the Sum Insured, but does not necessarily reflect, for example, local differences or non standard construction and consequently the adequacy of the Sum Insured should be regularly checked. Extensions or improvements to the buildings should also be taken into account when calculating the Sum Insured. Remember! If the Sum Insured is inadequate to begin with, no amount of index linking will correct it and the CONDITION OF AVERAGE will apply.

The cover provided by this Section is subject to the General Conditions, Exclusions and Claims Conditions of this Insurance.

IF YOU NEED TO MAKE A CLAIM

1)

If you are unfortunate to suffer loss or damage you should follow these procedures:

Check that the loss or damage is covered. Your policy booklet and Schedule of Cover shows what is covered and the conditions which might apply.

Obtain a claim form from the Council and forward the completed form to the nominated Loss Adjuster shown on the front of the claim form. If you have any queries relating to the progress of your claim you should contact the loss adjuster.

Your Council may have chosen to permit you to report details of the claim directly to the loss adjusting company. Please refer to the instructions provided by your Local Authority.

You can arrange for emergency repairs up to £250 to be carried out on a without admission of liability basis to prevent further damage occurring. Keep these bills as these could form part of your claim if liability is admitted.

When repairs are not immediately necessary you should obtain two estimates for repair or replacement, however do not delay in forwarding your claim form to the nominated Loss Adjuster informing them that you are obtaining estimates. Once your estimate is approved the work can be carried out and you should send the final bill to the Loss Adjuster. We will then settle your claim in accordance with the terms of the Policy.

The insurance contract is to be governed solely in accordance with the relevant laws of the United Kingdom relating to your postal address shown in the policy specification. If there is any dispute to which law applies it will be English Law.

Appointment of Arbitrators in the Event of Disagreement

1)

If the parties fail to come to an agreement over the amount of indemnity within a period of 40 days from receipt of a claim notification, each party will appoint an arbitrator, whose acceptance must be in writing.

2)

If one of the parties fail to appoint an arbitrator; this party is obliged to do so within 8 days from the date on which the other party so demands. If nevertheless, this party fails to appoint an arbitrator in the said period, it is understood that this party accepts the decision rendered by the arbitrator appointed by the other party, and that such decision is binding.

3)

In the case that the two arbitrators come to an agreement, their assessment will be reflected in a joint document in which are stated the causes of the loss or damage, the valuation of the damage, other circumstances affecting the determination of the indemnity and the proposal of the amount of the indemnity.

4)

When no such agreement is reached between the arbitrators, both parties will appoint a third arbitrator of mutual choice or if they cannot agree on the third, this arbitrator will be appointed by a Court of Law. In this case, the arbitrators' decision will be rendered in the period agreed by the parties or, failing this, within a period of 30 days from the appointment of the third arbitrator.

5)

The decision of the arbitrators, by unanimity or majority, will be notified to the parties in an immediate and indubitable way and will be binding to both parties unless legal action to declare the decision void is taken by either of the parties within a period of 30 days for the Insurer and 180 days for the Insured, from the date of notification. If this action is not initiated in the periods stipulated, the arbitrators' decision will be deemed irrefutable.

6)

Each party will pay the fees of their arbitrator. The Insurer will be responsible for 50% (fifty percent) and the Insured for the remaining 50% (fifty percent) of the fees of the third arbitrator as well as the rest of the expenses, including those of clearing away debris and those of an expert arbitrator. However, if either of the parties has made adjustment necessary, through insisting on an evaluation of the damages that were obviously disproportionate, the responsibility of payment would fall upon that party alone.
